Digital Natives, Digital Immigrants - Marc Prensky

Origins. Digital Natives, Digital Immigrants Marc Prensky defines the term "digital native" and applies it to a new group of students enrolling in educational establishments referring to the young generation as "native speakers" of the digital language of computers, videos, video games, social media and other sites on the internet.

Why Natives. The California Native Plant Society is restoring nature one garden at a time by supporting and encouraging the use of California native plants throughout our public and private landscapes.

Gardening - California Native Plant Society

The Indigenous peoples of California (known as Native Californians) are the indigenous inhabitants who have lived or currently live in the geographic area within the current boundaries of California before and after the arrival of Europeans.
