Michel Thomas Language Learning - 200 Words a Day

The course seems to be a relatively short one, clocking in at around eight hours for the foundation course and two hours for the advanced course, but you really canâ€™t let that fool you. You will probably need to go through each lesson at least twice, or at least make extensive use of the pause button.

Michel Thomas Advanced Course: French (2nd edition)

Michel Thomas was a polyglot linguist, language teacher, and decorated war veteran who developed a language-teaching system known as the Michel Thomas Method. He claimed his method would allow students to become conversationally proficient after only a few daysâ€™ study, and his clients included diplomats, industrialists, and celebrities. Michel Thomas passed away in 2005, so the newer ...
