

namibias independence struggle the pdf

Organized under the overall theme Investing in Sustainable Development, the Forum addressed global challenges for international investment in the new era of globalization and industrialization.

Namibia Embassy Berlin

The Himba (singular: OmuHimba, plural: OvaHimba) are indigenous peoples with an estimated population of about 50,000 people living in northern Namibia, in the Kunene Region (formerly Kaokoland) and on the other side of the Kunene River in Angola. There are also a few groups left of the OvaTwa, who are also OvaHimba, but are hunter-gatherers.
