If you're rotating through an ophthalmology department, you're going to be dragged into surgery at some point. Cataract surgery is our signature operation, so it's worthwhile to familiarize yourself with basic lens anatomy and surgical goals. The eye is the most amazing organ in the human body, and the lens is one of the most [!]

Chapter 10: Introduction to the lens and cataract surgery

By Amy Chan Language is the medium through which humans primarily communicate with each other " it is the very skill that sets us apart from other animals.
