Citation: Murphy, M, Pavia S, McGovern E, Correlation of laser-scan surveys of Irish classical architecture with historic documentation from architectural pattern books.

Nexus VII: Architecture and Mathematics, 7th Int. Conf.

This column is a forum for discussion of mathematical communities throughout the world, and through all time. Our definition of “mathematical community” is the broadest: “schools” of mathematics, circles of correspondence, mathematical societies, student organizations, extra-curricular educational activities (math camps, math museums ...
